Dear Residents and Families:

Thank you for your continued support and cooperation with the precautions that we have put into place to prevent the spread of the COVID-19 virus. The rate of positivity in Waukesha County is continuing to climb, and we appreciate that our residents and their families want to be up-to-date on the status of COVID-19 at LindenGrove Communities.

Starting today, we will be updating our Information Line (877-316-0835) to report new cases of COVID-19 among residents or staff. The line will be updated by 5:00pm each day. The update will give the number of known cases identified through testing on the prior day. At the end of the week, we will provide a summary to you by mail or email of the total cases reported that week.

We hope that having access to daily updates will be helpful to you.
We wish you and your loved ones a safe and healthy Thanksgiving holiday.

Sincerely,

Linda Joel, President & CEO
